GIRLS ON THE RUN
SOUTH CENTRAL WISCONSIN
2023 5K Sponsorship Opportunities
Spring and Fall Seasons

About so much more than running

What is Girls on the Run?

Girls on the Run, a 501(c)3 nonprofit, is physical activity-based positive youth development program designed to enhance girls' social, psychological, and physical skills and behaviors to successfully navigate life experiences.

Our unique, research-backed multi-week curriculum includes lessons that help girls improve their competence, confidence, caring, character, connection with others and contributions to community. Each fall and spring season concludes in a celebratory 5K celebration where we recognize a host of community sponsors.

Sponsorship investments from local businesses are instrumental to bringing these transformational programs to nearly 2,000 girls and families each year. They help provide financial aid and ensure our programs remain accessible, inclusive, and that no girl is turned away based on ability to pay.

Girls on the Run South Central Wisconsin serves youth, communities, and families in Columbia, Dane, Dodge, Green, Iowa, Jefferson, Rock, and Sauk Counties.

"At first, I just thought I was going to do it because of the running, but it is so much more. You get to learn so many life skills that I still use today. Girls on the Run gave me self-confidence to accomplish things that might be hard in my life and taught me to be brave and strong."

-Addyson, participant
