Recognize our power and responsibility to be **intentional in our decision-making**

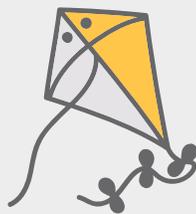

Embrace our differences and find strength in our **connectedness**

Lead with an open heart and **assume positive intent**

Express joy, optimism, and gratitude through **our words, thoughts, and actions**

Nurture our **physical, emotional, and spiritual health**

Stand up for **ourselves and others**

DEAR FRIENDS,

At Girls on the Run of South Central Wisconsin, our "why" is simple: we help activate the potential, confidence, and character already inside every girl.

2025 was a landmark year. As we celebrated two decades of striding forward, we didn't just look back—we harnessed our momentum for the future. Because of you, our participants are finding joyful, inclusive spaces to move their bodies and navigate the world with courage. This year, we were thrilled to launch Hello, Bold Heart, a new curriculum helping girls use their "heart power" to build empathy and belonging. We are so proud of what we have accomplished together.

20 Years of Meaningful Impact

- 25,690 total participants served since 2005
- 7,390 volunteer coaches
- \$35,000 in alumni college scholarships
- Over \$1,000,000 in financial assistance and free programming

And in 2025 alone, your support reached:

- 2,244 girls discovering their strength across our region
- 150+ school and community teams turned into hubs of empowerment
- 650+ volunteer coaches leading the way with heart

Each of these numbers represents a girl who felt seen, supported, and capable. As we mark our 20th anniversary, we honor the legacy of our founders and the collective strength of a community that believes in girls.

None of this happens without you. To our coaches, donors, and partners: thank you for walking (or running!) alongside us for two decades. Your belief fuels our work today and ensures we keep striding forward for the next 20 years and beyond.

KEEP SHINING,

Christine

Striding Forward: 20th Anniversary Celebration

Twenty years ago, our first team laced up in Madison. Today, that single site has grown into a movement across 150+ locations and 11 counties. This year, we celebrated the 25,000 girls who have discovered their strength, the donors who make our program accessible to all, and the coaches who inspire every season. From that first finish line to all those that have followed, we are building a future where every girl can boldly step into her power. Thank you to everyone who joined us for our 20th Anniversary Celebration on October 4th!

The Power of a Coach

”

One coaching moment that has stayed with me is realizing that my biggest impact isn't always in what I say or do, but in **simply showing up consistently and creating a space where girls feel safe, seen, and supported**. I still have a card from a former participant that says, "Thank you for being a good coach. You make me feel good when I am sad. You just make me happy." That reminder means so much because it reflects the kind of environment I hope to create.

Alumni Impact

One of the lessons that I have taken with me from GOTR, and continue to use today, is to have confidence in myself. Being in middle school, high school, and now in my junior year of college, having confidence in myself has allowed me to grow immensely.

—Miranda G.D.
GOTR SCWI Alumni & Coach
2023 Sara Scholar Recipient

Girls on the Run is a transformative program that had a significant impact on my confidence as a young girl and athlete. I learned how to run faster, but more importantly, my coaches taught me so much about how to be a respectful and encouraging teammate and friend.

The First Step of a Lasting Journey

The Gribble Family Leaves a Legacy

A Legacy That Started at the Starting Line

More than a decade ago, Kari and Eric Gribble drove their daughter, Bel, across school districts just so she could participate in Girls on the Run. They watched her walk into a room of strangers and walk out with a confidence that would last a lifetime.

Today, the Gribbles are ensuring that same spark is available for the next generation. By becoming the first family to formally document a gift to Girls on the Run in their estate plans, they have anchored our new giving program, Limitless Legacy.

"Girls on the Run checks all the boxes for us," says Kari. "It's about ensuring the confidence Bel found is available to every girl, long into the future."

The Gribbles have given our council an incredible gift—their intention to leave a limitless legacy for the next generation. Scan the QR code below or click the link to read the Gribbles' full "Why" and learn how you can join them in leaving a limitless legacy for girls.

Striding Forward: A New Circle of Giving

In 2025, we proudly launched the Striding Forward Giving Circle—a new donor community dedicated to the long-term confidence of local girls. We are honored to recognize our 20+ Founding Members, whose three-year pledges provide the stable foundation needed to deepen our impact.

These leaders ensure our program remains accessible to every girl in our 11-county region, regardless of financial status. We are deeply grateful to these visionaries for striding forward with us and invite you to join the circle!

Thank You to the Founding Members of our Striding Forward Giving Circle!

From Philanthropy to Finish Line

”

From the first day that I joined Gamma Phi Beta, I was drawn to our national philanthropy partner, Girls on the Run. I felt so moved knowing our philanthropy was impacting young women and girls in our local community. Attending the 5K is what ultimately led me to become more involved. Standing there and cheering for these girls ignited a deeper desire to be involved — and led me to coaching. **Gamma Phi Beta and Girls on the Run share the values of lifting up young women. The partnership is powerful and uplifting, and I am so grateful to be a part of it.**

Thank You, SoleMates!

A huge thank you to our 10 dedicated SoleMates who collectively raised \$5,945 in 2025! Through personal movement and fundraising goals, these supporters turned their miles into meaningful impact, expanding access to Girls on the Run programs for more youth across South Central Wisconsin.

Our Remarkable Coaches

Every lap, every laugh, every moment—our volunteer coaches are the heart of our program.

In 2025, 670 coaches shared over 18,000 hours of Star Power with local teams. Thanks to their generosity, over 2,000 girls in South Central Wisconsin built confidence, friendships, and lasting memories in 2025.

Coaches, it's our turn to celebrate YOU!

Thank You, Coaches!
