WHO WE ARE

Dear Community Partner,

With you, Girls on the Run is on a mission to help girls be joyful, healthy, and confident, using a fun, experience-based curriculum that creatively integrates running. We envision a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams.

Our council has supported youth and families in our community for 20 years--over 25,000 youth since 2005. Our territory includes 11 counties and 25+ school districts. This impact is led by community partners like you. Thank you for investing in the next generation and Girls on the Run!

Keep Shining,
Christine Benedict
Executive Director

YOUR IMPACT

Your support helps Girls on the Run create welcoming spaces where young people can build confidence, friendships, and a sense of belonging. Sponsorship dollars make our program possible, which is thoughtfully designed to support the unique needs of today's girls.

Participants meet after school in small teams for eight weeks, guided by caring coaches who foster an inclusive, encouraging environment. Sponsor support ensures that nearly 2,000 youth are able to participate each year by quietly removing financial barriers—making the program accessible to all, including the 40% of participants who receive financial assistance.
