“Girls on the Run is not all about running. It is about becoming a team.”

- Coach Erin

We inspire girls to be **joyful, healthy** and **confident** using a fun, experience-based curriculum that teaches social, emotional and physical well-being.

We envision a world where every girl knows and activates her **limitless potential** and is free to boldly pursue her dreams.

What We Do

At Girls on the Run of the Greater Chesapeake we inspire girls to recognize their inner strength and celebrate what makes them one of a kind. Trained coaches lead small teams through our research-based curricula which includes dynamic discussions, activities and running games. Over the course of the ten-week program, girls in 3rd-8th grade develop essential skills to help them navigate their worlds and establish a lifetime appreciation for health and fitness. The program culminates with girls positively impacting their communities through a service project and being physically and emotionally prepared to complete a celebratory, community 5K event.

Why It Matters

Girls face social pressures and conflicting messages about how they should act and who they should be. Studies show that by adolescence, girls' confidence drops about twice as much as boys'. Friendships become more complicated and challenging, girls' perception of their academic success declines, the likelihood of anxiety and depression increases and participation in physical activity plummets. **It doesn't have to be this way.**

What You Can Do

By investing in GOTRGC girls, you're investing in their dreams. You're helping them realize that their potential truly is **limitless**. As a sponsor, you provide ACCESS for more girls to participate in the program, gain key exposure to your market, and show the community your passion for making an impact.

Program Sponsorship

GOTRGC wants to ensure that ALL girls who want to participate are able to do so regardless of family income or circumstance. Therefore, we partner with corporations, individuals and community members to offer nearly 50% of girls with financial assistance so that they are able to become Girls on the Run in our community.

Program Sponsorship Overview

A program sponsorship costs \$2,500 which funds the program fee for a scholarship team, the girls' 5K entries, medals, t-shirts, water bottles, coach kits and coach training. The corporate sponsor is able to attend practices with the team as often as their schedules allow during the fall or spring season. GOTRGC teams practice twice a week for 10 weeks after-school for 75-90 minutes. Corporate volunteers are helping the coaches, handing out activity sheets, participating in lessons and running laps with the girls if they like. **The program sponsor will receive:**

- **The opportunity to select a partner team with GOTRGC staff recommendations based on location / time / sites for that season**
- **The opportunity to participate in lessons during the 10-week season**
- **A volunteer opportunity for employees to see the curriculum up close**
- **Thank-you card / photo from their team**
- **Two complimentary entries to the 5K**
- **The opportunity to cheer on or run alongside their team at the season-ending, celebratory 5K**
