# WHO WE ARE

---

Girls on the Run, a 501c3 nonprofit organization, is dedicated to creating a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams.

The 8–10-week program is designed to enhance girls’ social, psychological and physical skills and behaviors to successfully navigate life experiences.

“

*“When you look at the core group of girls participating in the program you see them standing a little taller among their peers and how they solve problems, speak up, and then aren’t afraid to express how something made them feel.” -Sharon, School Administrator*

# Our Curriculum

The intentional, inclusive curriculum shows an evidence-based impact on developing competence, confidence, connection, character, caring, and contribution in young girls. Twice per week, trained coaches lead small teams of elementary and middle school girls, including girls with a disability, through life skills lessons that incorporate running and other physical activities.

## Physical Activity

- Physical activity - including running and strength & conditioning - is woven into Girls on the Run and Heart & Sole lessons
- At the end of the program all girls complete a noncompetitive, celebratory 5K event that offers girls a tangible sense of goal-setting and achievement
- The program is accessible to all girls regardless ability.

## Community Service

- Girls on the Run inspires girls to build lives of purpose and to make meaningful contributions to community and society.
- Girls on the Run participants complete a group Community Impact Project that they plan and execute as a team.
- Heart & Sole participants complete an individual project called Extending the Girl Wheel, where they reach out in small, meaningful ways to an individual or group in their community.

*"The character development piece has been a really surprisingly powerful outcome of the Girls on the Run program. My daughter has learned that she can do hard things. She has become more aware of others and how they feel, and she has gained self-confidence."*

# WHAT SETS GIRLS ON THE RUN APART

**IT'S FUN. IT'S EFFECTIVE.  
AND IT'S SO MUCH MORE THAN A RUNNING PROGRAM!**

Girls on the Run is the only national physical activity-based positive youth development program for girls with compelling evidence of program impact.

An independent, national longitudinal study conducted in 2016 provided the following evidence-based outcomes:

- 97% of Girls on the Run participants said they learned critical skills to manage emotions, resolve conflict, help others or make intentional decisions
- Girls who were the least active at the start of the program increased their physical activity by more than 40%
- Girls on the Run made a stronger impact on teaching life skills to participants than did organized sports or physical education

## **INNOVATIVE AND DISTINCT EVIDENCE-BASED APPROACH**

Girls on the Run was recognized in Harvard University's 2017 report **Navigating SEL from the Inside Out** for its innovative and distinct approach to social emotional learning. Girls on the Run was **one of only three afterschool programs** recognized as a top research-based social emotional learning program, acknowledging that there are few examples of evidence-based programs like Girls on the Run that have been specifically designed for out-of-school time contexts.

# A National Movement with a Growing Local Presence

- Girls on the Run has served over 1.4 million girls since it was founded in 1996.
- Over 200,000 girls in all 50 states experience the power of our transformational program every school year
- Girls on the Run of Mid & Western Maryland started in 2012.
  - ★ **Number of girls served annually: ~900!**
