Since 2018, the annual fundraiser for Girls on the Run of Northeast Wisconsin has raised over \$40,000. These scholarship funds increase access to and help to eliminate financial barriers for girls in need to participate in our programs. As a sponsor, you will be supporting girls in need with valuable scholarship assistance so they can participate in the Girls on the Run programs. Your sponsorship will help offset our event costs which will allow for more funds raised to directly impact girls by providing scholarship funds. Help us continue to inspire girls to be joyful, healthy and confident across northeast Wisconsin!
