We all belong at the finish line

Happy Summer to All!

2024-25 was an incredible year for us and the girls in our program. We not only served 1,190 girls in our after-school programs, and 27 girls in Camp GOTR, but also worked to expand after-school programs available to all kids through advocacy in Carson City and began work to take Girls on the Run Las Vegas to the next level, that of sustainability. From 2011-2020, we figured out how to deliver our program, run a non-profit, and bring in the funds to do so (Ability). Between 2021 and 2024, we worked on processes, created efficiencies, solidified our Board of Directors, and built a staff that could deliver consistently (Stability). Now we're working on revising our strategic plan, diversifying our revenue so we're not as dependent on grant funding, evolving our board roles to match the organization's growth, and setting program goals that consider moving beyond Clark County. These are steps that will allow us to move beyond year-over-year thinking and to work toward decades of empowering girls (Sustainability).

None of this would be possible without the support of grant funders, corporate sponsors, and individual donors, and our crew of dedicated volunteers (board members, coaches, and 5K volunteers) who exemplify the Girls on the Run spirit of joy and gratitude.

In 2025-26, we're looking forward to serving over 1,250 girls and gender expansive 3rd-8th graders in our after-school and camp programs, and we hope you'll join us, as a Coach or 5K Volunteer, on our Board or a Committee, as a Donor, or simply cheering on the girls at the 5K Community Celebrations at UNLV this fall (December 6th) or next spring (April 25th)! Together, we will empower GOTR Girls to find their strong and pursue their limitless potential, and in doing so, be inspired ourselves.

Thank you for your ongoing support!
