

GIRLS ON THE RUN LAS VEGAS

FY24 Impact Report

WE ALL BELONG AT THE FINISH LINE

It's always hard for me to believe that another year is in the books, but it's already July and that means it's time to reflect on 2023-24 and look forward to the upcoming program year!

2023-24 was an incredible year for us and the girls in our program. We learned how to maintain quality programming even with some staff absences (maternity leaves, anyone?) that can hit a tiny organization hard, by trimming back our fall season and returning to full force in the spring. All told, we served 1,062 girls in our after-school programs as well as 19 girls in our pilot Camp GOTR. Held at Silverado Ranch Recreation Center, we offered the Girls on the Run camp curriculum in the morning, paired with First Nevada's Robotics Lego curriculum and Junior Achievement's More Than Money curriculum in the afternoon. The girls had a great time and we're planning to expand our camp locations in 2025.

Behind the scenes, we are partnering with more supporters of all types (grant funders, corporate sponsors, and individual donors) than ever before and our crew of dedicated volunteers (board members, coaches, and 5K volunteers) exemplify the Girls on the Run spirit of joy and gratitude. Our staff has solidified into a strong team, and we'll be adding a new member in the next few months to help us serve more girls across the Vegas Valley and beyond.

In 2024-25, we're looking forward to serving almost 1,650 girls and gender expansive 3rd-8th graders in our after-school and camp programs, and we hope you'll join us, as a Coach or 5K Volunteer, on our Board or a Committee, as a Donor, or simply cheering on the girls at the 5K Community Celebrations at UNLV this fall (12/7) or next spring (4/26)! Together, we will empower GOTR Girls to find their strong and pursue their limitless potential, and in doing so, be inspired ourselves.

Thank you for your ongoing support!
