

GIRLS ON THE RUN LAS VEGAS

FY22 Impact Report

88% OF GIRLS

FELT MORE CONFIDENT AFTER PARTICIPATING IN GIRLS ON THE RUN

"My daughter had an amazing experience. Every time I would pick her up from practice she was so positive and happy. I'm glad she decided to join. It was her first extracurricular school activity." -GOTRLV Parent

WE ALL BELONG AT THE FINISH LINE

What a year! While we were all bursting to get back out in the world again after COVID Quarantine, we never could have predicted the response our Girls on the Run community had to the return of in-person programming in Fall 2021. After a year of virtual, and then semi-virtual programming, we served more girls and gender expansive youth than in any previous year, by over 200 participants.

When the year began we had a staff of two, which has now expanded to four, and none of us had been involved in putting on the 5K Community Celebrations. We not only pulled it off, but celebrated our tenth anniversary at the Spring 5K, complete with party hats and birthday cake!

In the coming year we're focusing on serving more girls, of course, but also on building a more solid organization so that we're able to serve not just hundreds of girls now, but thousands of kids for years to come. Building confidence, character, caring, connections, competence and increasing the contribution each of our participants makes to our community drives our planning and our daily activities and frankly, inspires us to want to do so much more!

If you haven't been out to a Girls on the Run practice or 5K Community Celebration in a while, we invite you to come out and feel the excitement, see the potential, and be inspired yourself. There is nothing quite like a 10-year-old who has just discovered that she has the power to change the world!

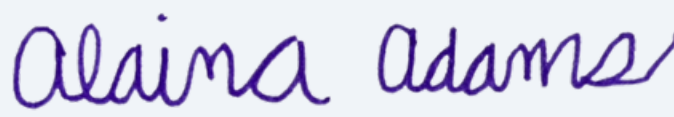

Thank you for your ongoing support!

With joy and gratitude,

OUR REASONS WHY

Highlights from FY22 Surveys

"This program was great for my girls and by the end, they both loved running and exercising. They ask to go for family walks often when they rarely wanted to go before."

-GOTRLV Parent

94%

of parents felt coaches were encouraging.

"Great group of coaches and teammates. Always encouraging each other to be the very best version of themselves."

-GOTRLV Parent

"My daughter has gone from shy and walking alone at lunch for years to fitting into many groups now. With the friendships and encouraging words of other girls her age at every practice, she now is confident and loves athletics! I'm very happy and so is she. In a big family it can be hard to find your thing, but GOTR is definitely her thing!"

-GOTRLV Parent

92.8%

would recommend GOTRLV to others!

82%

of girls were able to express their emotions better.
