Our Organization

Founded in 2015, Girls on the Run Snohomish County is dedicated to making a positive impact on girls' lives in our community. We provide fun, evidence-based programs that inspire participants to recognize their inner strength, increase their level of physical activity, imagine their possibilities, and confidently stand up for themselves and others.

Position Overview

Our Youth Advisory Board (YAB) is a dynamic group of young leaders who provide input, ideas, and perspectives to help guide and shape the work of our nonprofit organization. Members will have the opportunity to contribute to decision-making processes, implement a service project, participate in community outreach and events, and help advocate for causes that directly affect youth in our community. Through this board, we aim to empower young people by giving them a platform to have their voices heard, while also fostering leadership skills, teamwork, and civic engagement. Board members will gain valuable experience in nonprofit governance, project management, and community organizing.
