August 2020

## LUNAFEST 2020

LUNAFEST is one of our most popular annual events. You are invited to join Girls on the Run of NOVA for our first-ever virtual LUNAFEST as we celebrate award-winning short films by and about women.

This year we will come together virtually to enjoy an evening of this year's spectacular films in the comfort of your home while raising funds to support Girls on the Run of NOVA & Chicken and Egg Pictures.

As a Girls on the Run of NOVA supporter, you know the importance of investing our time, energy, and funding into programs that support girls at a critical age and during such a challenging time.

Please join us on September 24 at 7 PM. Your ticket to the event includes access to our online event with a LUNAFEST celebration package sent to your home.

## GOTR NOVA's Fall 2020 Season is here!

Our program registration is open now through September 22 on our website. The Fall season will begin the week of September 28 and come to a close with our celebratory 5K Week to be held November 16 - 22.

**You choose!**

We have in-person, virtual, school, neighborhood & community center based team sites. There is an option for every girl in elementary school (starting in 3rd grade) and middle school (our Heart & Sole program) to connect and be a part of a team this fall!

## Become a FUNDRUNNER

Each season families come to us needing financial assistance to enroll their girl. As you can imagine with the global COVID-19 situation, many families are struggling, and we NEVER turn away a girl due to financial barriers -- we want every girl to have access to our program.

This is where our FundRunners play an important role in our mission -- you help eliminate the financial barrier for girls to be a part of a team in their community. You will be a part of the program virtually with our fall season officially kicking-off the week of September 28. Starting at that time you will receive weekly updates about the lessons the girls are learning, 5K training tips (of all paces: walking, running, rolling, etc.), stories, and more! Yes -- just like the girls, you will prepare for our end-of-season celebratory virtual 5K Week.

What about raising funds? The goal is to have every FundRunner to commit to raising \$200 and we will help you do that -- one step at a time -- throughout the season. It's a lot of fun, so grab some friends or colleagues and start a FundRunner team together!

## You're challenged

## A Thankful GOTR Parent :

"My daughter was in Girls on the Run for the past few seasons. With all the uncertainty, we were nervous that Girls on the Run would be canceled this season. We're so excited that Girls on the Run is still on and she can't wait to participate, no matter the format!"
