

PROGRAM SPONSORSHIPS

OUR MISSION:

We inspire girls to be joyful, healthy and confident using a fun, experience-based curriculum which creatively integrates running.

HOW TO BE INVOLVED:

Sponsorship investments from local businesses are instrumental to bringing our transformational program to over 4,000 girls and their families each year.

They help provide financial aid and ensure our programs remain accessible, inclusive, and that no girl is turned away due to financial barriers.

Girls on the Run of Northern Virginia serves youth in Arlington, Fairfax, Loudoun and Prince William Counties, as well as Alexandria City, Falls Church City, Manassas City, and Manassas Park.

WHAT IS GIRLS ON THE RUN?

Girls on the Run®, a 501(c)3 nonprofit, is a physical activity-based positive youth development program designed to enhance girls' social, psychological, and physical skills and behaviors to successfully navigate life experiences.

Our unique season follows a research-based curriculum that is structured around understanding ourselves, valuing relationships and teamwork, and recognizing how we can shape the world at large.

Participants gain critical life skills including:

- Confidence
- Character
- Care
- Connections
- Competence
- Contribution to their community

Each spring and fall season concludes with celebratory 5K events that recognize the completion of the season.
