A Shared Purpose:

Giving Girls a Running Start

The new year is well underway and we will kick off our Spring 2021 season with a new corporate sponsor, [LMI](#).

As a marquee sponsor, not only will LMI be providing financial support, but they will also play a critical role in the GOTR NOVA community. This includes employee volunteer opportunities, participation in the program's end-of-season 5K celebrations, collaboration with women engagement events throughout the year, and, ultimately, helping to create an inclusive world.

"LMI is thrilled to partner with Girls on the Run of Northern Virginia, an organization in line with our values of leadership, mission focus, and innovation. More than ever, girls need safe spaces for connection and confidence building. Through our partnership, we will offer a source of stability to our region's families to foster the potential of our girls and to ultimately promote the strong, representative leadership we need in our communities, boardrooms, and elsewhere decisions are made."

Christen Smith, vice president of LMI's health and civilian market

Give the Gift of Confidence

A donation today will help **remove the financial barrier** that prevents many girls in our region from joining a team in their community. As the kick-off of the Spring 2021 season nears, please consider giving **one more girl access** to the tools she needs to be **strong, confident & healthy**
