

Chico High Sober Grad Night Graduation Night

Cal Skate @ FunLand, Chico

Sober Grad Night sponsorship is a "win-win" for your business and our graduates. Each level provides a benefit for you and support for the activities associated with a safe and sober grad night for this year's Chico High School graduates.

According to The National Highway Traffic Safety Administration, traffic collisions are the number one killer of teenagers in America. Nationally about 5,000 teens will die in automobile collisions and about ten percent of those deaths are in California alone. Our goal is to have all of our senior students spend their graduation night in a safe and alcohol-free environment. Your sponsorship allows us to make this night one to remember filled with fun, games, food and memories to last a lifetime. We invite you to be part of it!
