

Girls on the Run New  
Orleans

2024 Sponsorship  
Opportunities

## What We Do

- ★ We offer three unique programs to girls in 3<sup>rd</sup> to 8<sup>th</sup> grades: **Girls on the Run**, **Heart & Sole** and **Camp GOTR**
- ★ Our life skills curriculum is delivered by **caring and qualified coaches who are trained** to implement lessons as intended.
- ★ We celebrate the joy of movement! Our programs use physical activities as a platform for teaching **life skills** and **promoting holistic health outcomes** for girls.

**Girls on the Run New Orleans** has 30 sites in the Greater New Orleans area. In 2023, we served over 400 girls and created 50 Community Impact Projects.

With the help of generous sponsors and donors, we were able to provide financial assistance to 53% of our program participants who otherwise may not have been able to participate in Girls on the Run.

“

It's not only about running. It's about inspiring girls to take charge of their lives and define the future on their terms. It's a place where girls learn that they can. No limits. No constraints.

Only opportunities to be remarkable.

- Coach Sarah

## Why It Matters

- ★ Studies show that 3rd through 8th grade is a critical period of time for girls. Their self-confidence begins to drop **by age nine and 50% of girls ages 10 to 13 years old experience bullying.**
- ★ A recent independent study found that the Girls on the Run intentional life skills curriculum, delivered by highly trained coaches, positively impact girls' lives by **helping them increase their self-confidence, develop healthy relationships and feel good about themselves.**
- ★ At an age when girls are constantly trying to measure up to ideas of who they should be when they're still discovering who they are, **Girls on the Run shows them that their potential isn't just enormous, it's beyond measure.**
