

## **Girls on the Run of Northwest Illinois Program Fee**

### **Fees and Financial Assistance**

Our program fee is \$195 per girl. We are delighted to offer two financial assistance options.

#### **Option 1: Payment Plan**

Families can now split their registration fee into two payments. The first payment is due during registration. The second payment will be processed ten days prior to the program start date.

#### **Option 2: Sliding Scale**

Financial assistance is based on a sliding scale of household income. See below for chart showing annual household income and applicable fee. The sustainability of this program relies on your honesty and integrity to pay the appropriate amount. We do understand that household income does not provide a complete picture however, it is essential that each family contribute as much as they can afford. Local fundraising efforts and donations bridge the gap between program registrations and financial assistance provided by GOTRNWIL.

#### **Sliding Scale**

Annual Household Income	Applicable Fee
Less than 25,000	\$15
\$25,000 - \$34,999	\$30
\$35,000 - \$49,999	\$80
\$50,000 - \$74,999	\$120
\$75,000 - \$99,999	\$160
\$100,000 and up	\$195

Within registration on the Financial Assistance page, answer yes to the question, "Do you need financial assistance?" This will populate the sliding scale chart and allow you to select your household income.

If you are unable to pay any portion of the registration fee, please contact our office at 815.893.0259
