

Girls on the Run®

FEES AND FINANCIAL ASSISTANCE

WE ARE DELIGHTED TO OFFER TWO FINANCIAL ASSISTANCE OPTIONS

**PROGRAM FEE
\$180**

OPTION 1: PAYMENT PLAN

Families can split their registration fee into two payments. The first payment is due when you register your girl. The second payment is automatically processed 30 days later.

OPTION 2: SLIDING SCALE

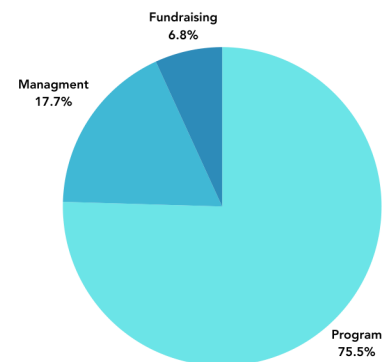

Financial assistance is based on a sliding scale of household income. See chart showing annual household income and applicable fee. (This fee may also be split into two payments.) The sustainability of this program relies on your honesty and integrity to pay the appropriate amount. We do understand that household income does not provide a complete picture however, it is essential that each family contribute as much as they can afford. Local fundraising efforts, grants and donations bridge the gap between program registrations and financial assistance provided by GOTR Hudson Valley.
