GAAP requires management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has taken an uncertain tax position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Organization and has concluded that, as of June 30, 2025 and 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements.
