

Together, we all grow & thrive

At Girls on the Run, every girl receives what she needs to grow and thrive: a safe environment where she can nurture her emotional health, fun connections with friends, caring mentor coaches and the tools to recognize her potential and reach her dreams! As GOTR Girl Naomie said recently,

**"GIRLS ON THE RUN TAUGHT ME HOW TO BE KIND AND
HOW TO MAKE NEW FRIENDS WITH MY ADHD."**

Thanks to you, Girls on the Run Michiana is growing and thriving as well. It's a joy to share that during the 2023 season, 1,147 girls grew joyful, healthy and confident through Girls on the Run programming offered at 58 schools, parks and community centers. We also expanded efforts around diversity and inclusion through BIPOC coach support, Spanish translation at both 5K events and additional support toward differently abled participants. Your generous support continues to ensure that every girl can activate her limitless potential and boldly pursue her dreams. Thank you!

"Sally and I have supported GOTR for many years. GOTR builds lasting friendships and helps formulate a value system some may never experience. I have high respect for the organization and all it does to break down barriers and build community. GOTR builds character."
