WHO WE ARE

Girls on the Run is an international nonprofit that offers programs to strengthen third- to eighth-grade girls' social, emotional, physical, and behavioral skills. **Girls on the Run is one of the only youth development programs with compelling evidence that proves participants learn life skills and then use them in other aspects of their lives.**

We take pride in our progress:

- Each year, more than **200,000 girls** ages 8 to 13 participate across the United States and Canada.*
- Since 1996, **over 2 million girls** have been transformed, inspired and empowered by the program.
- With more than 330 5K events taking place annually, **GOTR is the largest 5K series (by number of events) in the world.***
- Over **600,000 participants and spectators** attend GOTR 5Ks every year.*

"The lessons reinforced through GOTR really helped strengthen my daughter Elyana's character. I am very proud to have watched Elyana flourish and learn to love and accept herself and even more importantly, become proud of what makes her unique."

**Pre-pandemic statistics. We look forward to building back stronger.*

A CRITICAL NEED

Since the start of the COVID pandemic, 79% of girls feel lonelier and more depressed.

50% of girls ages 10 to 13 experience bullying.

Girls' self-confidence begins to drop by age nine.

Physical activity declines starting at age ten and continues to decrease as girls age.

The U.S. Surgeon General recently highlighted the urgent need to address the nation's youth mental health crisis, stating that "the future wellbeing of our country depends on how we support and invest in the next generation."

The Girls on the Run curriculum empowers girls to build confidence and successfully navigate life experiences. Over the course of the program, physical activity serves as a platform for teaching interpersonal skills and promoting holistic health outcomes.

WHY GIRLS ON THE RUN?

Evidence-based research from leading youth development experts has proven that Girls on the Run:

Prompts independent thought and intentional decision-making

Builds confidence

Strengthens self-respect

Enhances girls' ability to stand-up for self & others

Fosters healthy relationships

Establishes a life-long appreciation for health and wellness

These clear outcomes to social-emotional learning goals are just one aspect of GOTR key differentiator to other afterschool programs.

WHAT SETS GIRLS ON THE RUN APART?

Intentional curriculum, expert coaches and an inclusive environment all lead to a long-term impact.

Girls on the Run programming is continuously evaluated, both internally and externally. Recent studies uncovered that:

97% of girls felt like they belonged at Girls on the Run.

85% of girls improved their confidence, caring, competence, character and connection to others.

GOTR participants scored higher in managing emotions, resolving conflict, helping others and making intentional decisions than participants in organized sports or physical education.

98% of girls would tell other girls to participate in Girls on the Run.

97% of girls learned critical life skills they can use at home, school and with friends.

94% of parents reported Girls on the Run was a valuable experience for their girl.

"This program is amazing. My daughter participated for three years and now volunteers and still does the 5K. Girls on the Run is a safe space for her to discuss the complicated issues preteens and teens dealing with. The faces on the girls when they cross the finish line are absolutely amazing. They know they've really accomplished something."
