# WHO WE ARE

Girls on the Run is an international nonprofit that offers programs to strengthen third- to eighth-grade girls' social, emotional, physical, and behavioral skills. **Girls on the Run is one of the only youth development programs with compelling evidence that proves participants learn life skills** and then use them in other aspects of their lives.

## We take pride in our progress:

- Each year, more than **200,000 girls** ages 8 to 13 participate across the United States and Canada.\*
- Since 1996, **over 2 million girls** have been transformed, inspired and empowered by the program.
- With more than 330 5K events taking place annually, **GOTR is the largest 5K series (by number of events) in the world.\***
- Over **600,000 participants and spectators** attend GOTR 5Ks every year.\*

"The lessons reinforced through GOTR really helped strengthen my daughter Elyana's character. I am very proud to have watched Elyana flourish and learn to love and accept herself and even more importantly, become proud of what makes her unique."

# A CRITICAL NEED

Girls' self-confidence begins to drop by age nine.

Since the start of the COVID pandemic, 79% of girls feel lonelier and more depressed.

Physical activity declines starting at age ten and continues to decrease as girls age.

50% of girls ages 10 to 13 experience bullying.

The U.S. Surgeon General recently highlighted the urgent need to address the nation's youth mental health crisis, stating that "the future wellbeing of our country depends on how we support and invest in the next generation."

The Girls on the Run curriculum empowers girls to build confidence and successfully navigate life experiences. Over the course of the program, physical activity serves as a platform for teaching interpersonal skills and promoting holistic health outcomes.

# WHY GIRLS ON THE RUN?

**Evidence-based research from leading youth development experts has proven that Girls on the Run:**

Prompts independent thought and intentional decision-making

Builds confidence

Strengthens self-respect

Enhances girls' ability to stand-up for self & others

Fosters healthy relationships

Establishes a life-long appreciation for health and wellness

These clear outcomes to social-emotional learning goals are just one aspect of GOTR key differentiator to other afterschool programs.

# WHAT SETS GIRLS ON THE RUN APART?

**Intentional curriculum, expert coaches and an inclusive environment all lead to a long-term impact.**

Girls on the Run programming is continuously evaluated, both internally and externally. Recent studies uncovered that:

97% of girls felt like they belonged at Girls on the Run.

97% of girls learned critical life skills they can use at home, school and with friends.

85% of girls improved their confidence, caring, competence, character and connection to others.

GOTR participants scored higher in managing emotions, resolving conflict, helping others and making intentional decisions than participants in organized sports or physical education.

98% of girls would tell other girls to participate in Girls on the Run.

94% of parents reported Girls on the Run was a valuable experience for their girl.

"This program is amazing. My daughter participated for three years and now volunteers and still does the 5K. Girls on the Run is a safe space for her to discuss the complicated issues preteens and teens dealing with. The faces on the girls when they cross the finish line are absolutely amazing. They know they've really accomplished something."

# A ONE-OF-A-KIND 5K CELEBRATION!

## Each Girls on the Run season concludes with a joyful and fun non-competitive 5k Celebration.

This is a day where communities throughout the region come together to recognize just how far participants have come and how far they will continue to go. Everything girls have been working toward leads to this unforgettable day and, here, they have the chance to show off their hard work.

Thanks to your role as a site host and supporter of the 5K, team members can experience a tangible sense of accomplishment that inspires them to be the hero of their own stories.

Each year across 170 council networks, Girls on the Run hosts more than **330 5K Celebrations**.

On average, **600,000 participants** annually attend a Girls on the Run 5K.

Girls on the Run has held **14** 5k Celebrations since opening our door in 2013.

## No two participants who sign up for Girls on the Run are alike.

Girls' interests and passions vary, which is why the inclusive nature of our 5K event is so important. At this celebration, every girl takes something unique away from the experience.

By supporting a 5K Celebration as a site host you will create a day where all participants – as well as caregivers, family members, community members, and friends – are free to be themselves, open their heart to boundless joy and have the stamina and confidence to cross the finish line.
